Search by Department Search by Position

**Employees**

Profile	Name	Email	Position	Department	Salary	Actions
pp	parsah pouyan	parsa@gmail.com	manager	computer	\$12,222	
sh	siahash habibi	sia@gmail.com	Owner	computer	\$100,000	
SF	shayan reeal	shayan@gmail.com	Assistance	Art	\$90,000	

The screenshot shows the Employee Management System interface. A modal window titled "Edit Employee" is open in the center. The modal contains fields for First Name (parsa), Last Name (pouyan), Email (parsa@gmail.com), Position (manager), Department (computer), and Date of Joining (2025-11-02). There are "UPDATE" and "CANCEL" buttons at the bottom. In the background, a table lists employees: parsa pouyan, siavash habibi, and shayan reaei. A sidebar on the right shows actions for each employee. The top navigation bar includes search and filter options.

The screenshot shows the Employee Management System interface. A modal window titled "Employee Details" is open in the center. It displays the details of the employee parsa pouyan, including First Name (parsa), Last Name (pouyan), Email (parsa@gmail.com), Position (manager), Department (computer), Salary (\$12,222), and Date of Joining (11/1/2025). There is a "CLOSE" button at the bottom. In the background, a table lists employees: parsa pouyan, siavash habibi, and shayan reaei. A sidebar on the right shows actions for each employee. The top navigation bar includes search and filter options.

The screenshot shows a browser window with multiple tabs open. The active tab is titled "Employee Management System" and has the URL "localhost:3000/dashboard". The page displays a search interface with two input fields: "Search by Department" containing "computer" and "Search by Position" containing "owner". Below the search bar is a "SEARCH" button and a "CLEAR" button. A blue header bar at the top right contains a "LOGOUT" link. The main content area is titled "Employees" and features a table with the following columns: Profile, Name, Email, Position, Department, Salary, and Actions. The table contains one row for an employee named "siavash habibi" with the profile picture "sh", email "sia@gmail.com", position "Owner", department "computer", salary "\$100,000", and actions represented by three icons: a blue eye, a blue edit/pencil, and a red trash can.

Profile	Name	Email	Position	Department	Salary	Actions
sh	siavash habibi	sia@gmail.com	Owner	computer	\$100,000	

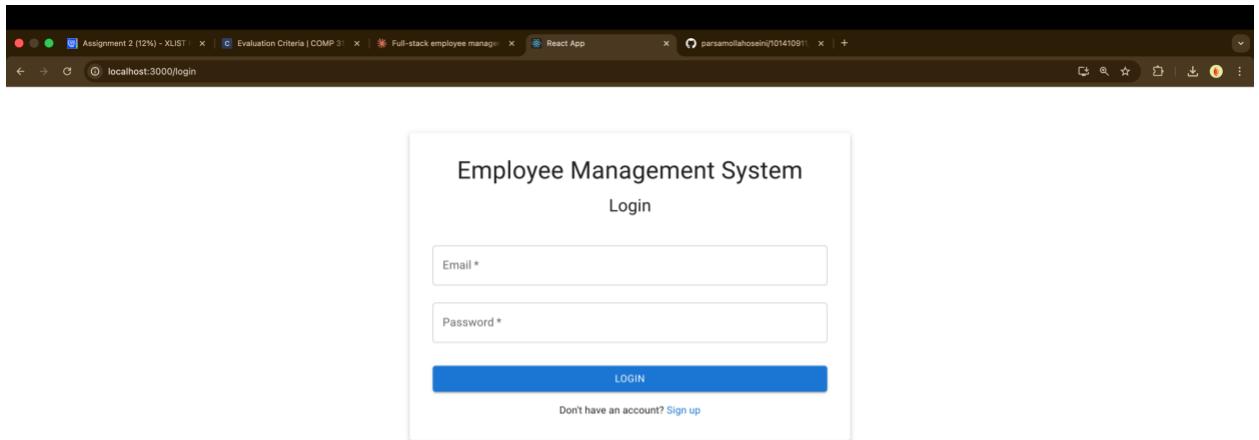

This screenshot is identical to the one above, showing the same browser setup and search results. The "Position" field in the search bar now contains "manager" instead of "owner". The table below shows a single result for an employee named "parsa pouyan" with the profile picture "pp", email "parsa@gmail.com", position "manager", department "computer", salary "\$12,222", and the same set of three action icons.

Profile	Name	Email	Position	Department	Salary	Actions
pp	parsa pouyan	parsa@gmail.com	manager	computer	\$12,222	

The screenshot shows the Employee Management System dashboard at [localhost:3000/dashboard](http://localhost:3000/dashboard). The interface includes a search bar for department and position, and buttons for SEARCH and CLEAR. A table lists employees with columns: Profile, Name, Email, Position, Department, Salary, and Actions. One employee is listed: shayan reael (Profile picture 'SR', Name: shayan reael, Email: shayan@gmail.com, Position: Assistance, Department: Art, Salary: \$90,000). Action buttons for edit and delete are shown next to the employee's row.

The screenshot shows the sign-up page of the Employee Management System at [localhost:3000/signup](http://localhost:3000/signup). The page title is "Employee Management System" and the sub-section is "Sign Up". It features four input fields: "Username \*", "Email \*", "Password \*", and "Confirm Password \*". Below the fields is a "SIGN UP" button. At the bottom, there is a link "Already have an account? [Login](#)".
